Mockingbird Lane Paint Project
August 13 & August 27, 2022

After nearly 6 months of Cafe' renovations, it was time to get back to what we do - PAINT HOUSES! This was the our FIRST house painting project of our "New Year". This particular project was for a disabled Army Veteran. Team Leader for the project was A1C Stephen Schroll. It took two Saurdays to complete the project which included the installation of a new solar light flag pole in front of the house. A big thanks to all the volunteers that braved the late summer Texas heat volunteering their time and skills to make this project possible.
